

### Specs :

Mass, $M_x$	50 g
Material	Aluminium

REV. 1 (05.06.2020)

### Application

The DW50 disc weight is used to adjust the moving mass of the SB ACOUSTICS passive radiators. Use an M8 bolt for mounting.

### Compatibility

- 10" Shallow sub (DAC/DBAC) passive radiators.
- 10" and 12" (NRX) passive radiators.
